### Company Profile

Established in 1980, Archaeological Services Inc. (ASI) is a Canadian-owned company and the largest archaeological and cultural heritage consulting firm in Ontario. Operating from offices in Toronto and Burlington, ASI specializes in conducting archaeological excavations across Ontario.

Embark on a journey to uncover Ontario's profound cultural history, spanning approximately 12,000 years. ASI explores a diverse array of sites, ranging from 19th-century homesteads to 15th-century Indigenous villages and Archaic-period lithic scatters. ASI's commitment to archaeological exploration is a dedication to preserving and understanding the vibrant tapestry of Ontario's cultural legacy.

Dedicated to cultivating an inclusive, equitable, and accessible workplace where employees are valued, respected, and supported. ASI prioritizes the health and well-being of its workforce, clients, and the community. Please note that proof of vaccination is required under our COVID-19 Immunization Policy, with accommodations considered under the Ontario Human Rights Code. As an Equal Opportunity Employer, adherence to the Accessibility for Ontarians with Disabilities Act, 2005, the Canadian Human Rights Act and the Ontario Human Rights Code is a fundamental aspect of ASI's commitment.

### Position Profile

We are excited to announce an intriguing opportunity to assess a large area of the Northern Ontario landscape for archaeological resources. Located outside the City of Sudbury, this position involves remote stay with accommodation, transportation, and a per diem provided. The role requires constant movement, involving bending, kneeling, standing, lifting, and carrying objects.

### Candidate Profile

Actively seeking candidates who:

- Thrive working in remote wilderness environments, hiking uneven terrain for long distances.
- Express an interest in Indigenous and Historical archaeology.
- Exhibit strong teamwork, reliability, and a consistently positive attitude.
- Demonstrate strong attention to detail, with proven ability to follow specific instruction.

If you are passionate about archaeology, thrive in challenging outdoor settings, and bring a positive attitude, apply now to join our dynamic team at Archaeological Services Inc.

## Key Responsibilities

Responsibilities include, but are not limited to:

- Completing Stage 2-4 fieldwork tasks, using techniques and methods meeting the [Standards and Guidelines for Consultant Archaeologists](#).
- Excavation tasks, such as digging and screening soils in archaeological units (requires physical activity like bending, kneeling, standing, and carrying equipment and soils).
- Conducting field surveys, involving walking long distances to find archaeological materials (may require walking up to 20 kilometres a day) and/or digging test pits and screening dirt.
- Data recording tasks, including drawing site maps, taking photographs, and completing site records and field notes.

## Position Requirements

- Demonstrated ability to perform physically demanding and repetitive tasks, aligning with industry standards.
- Capability to work outdoors in various weather conditions, including both hot and cold temperatures.
- Ability to self-transport to work sites or ASI carpool muster points is required for this role.
- The position requires travel and out-of-town stays. ASI will provide employees with overnight accommodation and a daily monetary allowance (per diem) in such instances.

## Company Perks

- Competitive wages for the industry.
- Industry-leading consistency of work.
- Opportunities for enrollment in the Benefit Plan and Pension Fund.
- Mentorship, archaeological licensing support, and career development opportunities.
- Work boot reimbursement program.

**How to Apply:** Send your resume and cover letter to [employe@asiheritage.ca](mailto:employe@asiheritage.ca)

**Deadline for Application:** We will be accepting applications until the positions have been filled.
